

School Budget and Planning Meeting Feedback 2025-2026

Thank you to those who attended our 2025-2026 School Budget and Planning meeting. We appreciate the time you have taken to attend the meeting and provide feedback to us.

The survey results for the meeting are included below:

"The data driven methods that the staff and team are using to achieve their goals in reading "

5 responses submitted

What did you like least about this meeting?

"The budget is clearly stretched thin. I dislike how little money the Province allocates to schools. But I know our school makes the most of it, and I am proud to support our teaches and staff."

"Student development "

"The video is the same as last year and not really necessary. "

"I don't think that I disliked anything about this meeting"

"I liked it all"

5 responses submitted

Other comments

"Na"

"I am looking forward to future presentations that help show the growth and improvements "

If you have any further questions about our School Budget or School Development planning, please view the presentation on our school website at [Huntington Hills School Development Plan 2025-26](#). You may also call the school at 403-777-6650 for additional information.
